

## Year 1 – Autumn Term 1

### As a musician I will learn:

- To use my voice to sing songs about toys.
- To clap a short rhythmic pattern.
- To make a sequence of sounds.
- To say whether I like or dislike a piece of music.

### As a designer I will learn:

- To show how people feel in paintings and drawings.
- To use pencils to create lines of different thicknesses.
- To use IT to paint a picture.
- To describe what I see and give an opinion about the work of an artist.

### In my personal development I will learn:

- To know what it means to belong – write a class charter.
- To find out about each other.
- To learn ways to solve conflict with friends.

### As a historian I will learn:

- To use words and phrases like old, new and long ago.
- To spot new and old toys in pictures.
- To recognise that new and old toys are made of different materials.

### As a sport person I will learn:

- To make an under arm throw.
- To move and stop safely.
- To copy dance moves and improve them.
- To make up a short dance.

### As an IT expert I will learn:

- To control the mouse movements with my hand.
- To click and drop using the mouse.
- To open and close windows in a program.
- To use the fill tool to colour a digital picture.
- To use technology safely.

### In RE I will learn:

- To understand what creation means.
- To understand the Christian story of creation.
- To retell the Christian story of creation.

### As a scientist I will learn:

- To distinguish between an object and the material it is made from.
- To explain what materials an object is made from.
- To describe the properties of everyday materials.
- To group objects based on the materials they are made from.

### As a writer I will learn:

- To use a capital letter to start my sentence.
- To use 'and' to add ideas together.
- To use a full stop to show the end of my sentence.
- To plan and write a simple story.

### Our theme and topic will be:

## Toys from the Past

### As a reader I will learn:

- To answer literal questions.
- To use my phonic skills to decode new words. To understand how a character feels.

### As a mathematician I will learn:

- To find number bonds to 10.
- To add and subtract using a ten frame and a bar model.
- To find one more and one less.
- To count on from a given number to 10.
