

Year 4 – Spring Term 1

As a musician I will learn:

- How silence is used effectively in music.
- How to create contrasting pieces of music and to evaluate my choices.
- How to create my own instrument using materials.

As a geographer I will learn:

- About the Roman Empire and how it grew.
- Where Rome is on a map.
- How towns and villages changed over time as a result of the Roman invasion.

As a designer I will learn:

- What Roman chariots tell us about that period.
- How to plan and design my own Roman chariot to present to an emperor.
- How to evaluate and improve my work.

In my personal development I will learn:

- Whether money is a want or a need.
- Where money comes from and what money is spent on.
- Whether value for money is the same around the world.
- Ways to save money in school and at home.

As a historian I will learn:

- About the Roman invasion of Britain and Boudicca's rebellion.
- About the Roman army and their entertainment.
- How to compare my life with a child living in the Roman period.

As a sport person I will learn:

- How to tackle and defend the ball accurately.
- To refine dribbling and tackling skills.
- To use dynamics and gestures to express mood through dance.

As an IT expert I will learn:

- How to research information safely using search engines.
- How to use a programme to present information to a specific audience.
- How to use the animation station to create a moving picture.

In RE I will learn:

- About Jew's commitment to God and the beliefs they follow.
- Why the Passover is celebrated.
- Which Jewish command/rule is the most important to follow.

As a scientist I will learn:

- How to investigate different materials and their properties.
- About materials changing state.
- About materials the Romans found when they invaded Britain.

As a writer I will learn:

- How to use similes and metaphors to enhance my descriptive writing.
- How to write non-chronological reports.
- How to edit and improve my work.

Our theme and topic will be:

When in Rome! What was life like in Ancient Rome?

As a reader I will learn:

- How to use inference to explain how a character feels.
- How meaning is enhanced through words and phrases.

As a mathematician I will learn:

- About perimeter and area.
- How to identify fractions of shape and amounts.
- To add and subtract fractions.
- To recognise decimal equivalents.
