Round Oak School has “created an ethos of purpose, care and dedication to pupils” – rated a good school by Ofsted (2018)

19th December 2019

Dear Parents, grandparents and carers,

I am writing on behalf of the Interim Executive Board to say thank you for the support you have shown since we were appointed in September.

We appreciate just how difficult it must have been to hear that the Local Authority had replaced the former Governing board with the IEB. It was clearly a worry and some of you wrote to me to express your concern, but also to share your views about some of the things that had been going on at the school. Others took the opportunity to meet with Judith and me at the school and again your frustration was evident. I hope that as time has gone on you have observed the determination of Judith and the board to work with you to improve the school.

Throughout this time the pupils at the school have been our main priority. It is to the credit of teachers and support staff that, for the pupils, little has changed. The joy that the children and young people have coming to school remains evident and the teachers continue to do a great job, every day. Their professionalism has shown through.

I look forward to meeting many more of you next year as we share and consult on proposals to build the strongest foundations to ensure the best possible educational outcomes for children and young people at the school.

So, at this very special time of year, on behalf of the IEB, I wish you and your family the very warmest wishes for a wonderful Christmas break.

Warmest regards,

Ian Pavey
