

Foundation Stage Homework Timetable

Week 4 27/04/20	<p>Subjects and Tasks</p> <p><i>Throughout the week you might like to write a journal of the things that you have been doing at home. Your parents can help you. You could try writing some words, a sentence or you could draw some pictures.</i></p>
Monday	<p>Read, Write Inc.</p> <p>Throughout the week continue to practise the following –</p> <ul style="list-style-type: none"> • Set 1 and 2 speed sounds • Reading a variety of fiction and non-fiction texts with your child • Practise letter formation and correct pencil grip with your child. Remember to use the Read, Write Inc. handwriting phrases. • Reading red words - <i>I, the, put, said, go, no, your, you, me, my, are, be, he.</i> <p>Literacy Task- Environments – Africa - - Share the story 'Handa's Surprise' by Eileen Browne. Available by clicking on the following link - https://www.youtube.com/watch?v=XyIV_xYi0as Talk about what happened in the story. Questions to think about - What characters were in the story? What happened at the beginning, middle and end of the story? Where was the story set? Can you... draw and label a picture of the fruit in the story?</p> <p>Maths -Practise the additions to 20. Remember to count on to find the answer. (<i>Refer to addition to 20 colour sheet</i>).</p>
Tuesday	<p>Literacy Task- -Can you... write a postcard to your friend? (<i>Refer to postcard sheet</i>).</p> <p>Maths -Can you continue the pattern on the snakes? Perhaps you could have a go at making your own colour pattern! (<i>Refer to continue the pattern sheet</i>).</p>
Wednesday	<p>Literacy task- Environments – Arctic - -Share the story 'Lost and Found' by Oliver Jeffers available by clicking on the following link - https://www.youtube.com/watch?v=cRAAQ8EWzig With your child explore penguin facts on the internet. What information have you found? Can you write it down? You make like to make your own non-fiction big book about penguins!</p> <p>Maths -Can you... have a look at 1p, 2p, 5p, 10p, 20p, 50p, £1 and £2 coins. You may have some of these coins at home. What colour and shape are the coins? Can you count out some 1p coins? How many do you have?</p>
Thursday	<p>Literacy and Maths Task- -Can you... make some coin rubbings using crayons or colouring pencils? Place the coins under some paper and rub your crayon over the paper and coin. What coin can you see? Maybe you could use some of your toys to set up a shop in your house. You could practise playing shop with your family at home.</p>

	<p>- Can you... write a shopping list for your role play shop? -Can you... write some label or price tags for your shop? -Can you write a receipt for the customer? Have fun!</p>
Friday	<p>Literacy Task-- -Can you... find and draw items in your house that match the colour? Can you label your picture? (<i>Refer to colour finding activity sheet</i>). Remember to use your Fred Fingers to help you to hear each sound in word as you write.</p> <p>Maths -Can you... practise reading the time on your clocks in your house to the hour? Can you use words like o'clock? Try to find as many different items in your house that tell us the time (television, radio, microwave, watch, mobile phone, iPad, laptop, clock...)</p> <p>Pencil control/grip - Can you colour the poster in? Remember to colour carefully using the correct pencil grip! (<i>Refer to poster for colouring sheet</i>).</p>

Resources that you may find helpful to use at home with your child -

- BBC Alphablocks <https://www.bbc.co.uk/cbeebies/shows/alphablocks?page=2>
Alphablocks is available through the BBC website and can be accessed on the link above. Your child can practice their sounds and blending as they watch the letters of the alphabet tell stories and make words using phonics. Your child can also play the learning game, watch clips and print colouring pages.
- BBC Numberblocks <https://www.bbc.co.uk/cbeebies/shows/numberblocks?page=2>
Numberblocks is available through the BBC website and can be accessed on the link above. Your child can sing along and learn all about numbers!
- Oak Academy <https://www.thenational.academy/>
This is a fantastic new online government backed resource. You will be able to access up to 180 lessons a week. The lessons provide education from Reception through to year 10 and will be taught via a new government backed online platform, the Oak National Academy. The scheme which has been set up by teachers and funded by the Department of Education, is set to provide video lessons for students, with each lesson arriving with a quiz and worksheet to go with it.

When you access the website click on '*online classroom*' then '*subject*' and finally select '*reception*'. You can then choose from the following subjects '*English*', '*Maths*' and '*Foundation*'.

We hope that you find these links useful.

Have fun completing the activities and stay safe.

Miss Barry and Mrs Orton
