Dear Children/Parents and Carers,

We really do appreciate everything that you are all doing during these unusual times to continue to learn and progress. Keep smiling.

Take care, stay safe and God bless.

Mrs O'Donnell, Mrs Shanley and Mrs Whelan

Tasks to complete at home

1. Share **stories** daily with your child at home.
2. Watch and practise **Set 1 sounds, blending and Fred fingers** using RWI video clips to support.
3. We will look at the fairy tale - **Goldilocks and the Three Bears** this week. The Oak Academy website is an excellent resource to support your child with this at home and you can watch the lessons online. Activities are linked to each lesson which you can complete at home. For example - listening to the story, story mapping, role play and writing simple sentences. You will find the link in the additional resources list below. Please focus on lessons 1-5 for this week. You can continue to get creative this week by role playing the fairy tale at home. You could create your own masks to role play the characters. You could find objects in your house to sort (big, medium and small). You could make some porridge for Goldilocks and add your favourite topping. This is all part of our 'Knowledge of the World' and 'Expressive Arts and Design' work which we would learn about at school.
4. **RE** - We will complete the big question this week as we end our topic on 'Celebrations'. We will then begin our new RE topic 'Gathering'. We will ask you to complete the big question for 'Gathering'. The sheets will be available on Class Dojo. Please remember to share the **virtual prayer bag** with your child. You will find the video in the 'RE' folder on Microsoft Teams. Your child can upload their prayers to Class Dojo and you might like to set out a prayer table at home.
5. Your child will continue to need their 10 frame, some counting objects and their Maths Journal for the Power Maths lessons next week. You can print or draw the 10 frame - or you may like to use an egg box with 10 spaces.
6. **Children's Mental Health Week** - On Friday 5th the children will have a screen-free afternoon. There will be no live lessons on Friday afternoon. Perhaps you could use this time to play a board game, read stories together, bake cakes, go for a family walk or complete some creative activities. You may even like to wrap up warm and participate in some star gazing. Gardening and planting seeds is also a great activity. If it is a windy day you may like to make and fly a kite! We hope you have a wonderful afternoon.

All worksheets that you need for the upcoming week will be available on Class Dojo from Friday afternoon.

Please upload completed work onto your child's portfolio via Class Dojo - we would love to see your work from home. Thank you for your continued support.
