## Tasks to complete at home

1. Share stories daily with your child at home.
2. Watch and practise Set 1 sounds, blending and Fred fingers using RWI video clips to support.
3. We will continue to look at the fairy tale - The Three Little Pigs this week. The Oak Academy website is an excellent resource to support your child with this at home and you can watch the lessons online. Activities are linked to each lesson which you can complete at home. For example - listening to the story, story mapping, role play and writing simple sentences. You will find the link in the additional resources list below. Please focus on lesson 6-10 for this week. You may like to get creative this week by making the house for the Three Little Pigs using different materials! For example, you could go on a walk and collect twigs to make a house of sticks. If you have a sheet at home, you could make another house by draping the fabric over a table. Collect your recyclable items such as cereal boxes and yogurt pots to make your own creations at home! This is all part of our Expressive Arts and Design work which we would learn about at school.

**Please upload completed work onto your child's portfolio via Class Dojo - we would love to see your work from home. Thank you for our continued support.**

Dear Children/Parents and Carers,

We really do appreciate everything that you are all doing during these unusual times to continue to learn and progress. Keep smiling.

Take care, stay safe and God bless.
