

Hello children!

My name is Miss Barry and I am one of the teachers in Early Years Foundation Stage at your new school. This is me. I love reading stories and my favourite author is Julia Donaldson. I love all of her stories especially 'Tiddler'. What is your favourite story?

Meet the team that work with me...

Mrs Orton

Hello everyone! My name is Mrs Orton and I am super excited to be working in Foundation Stage with you as you start your school journey, I know we will have lots of fun learning new things together every day! I love to read stories and play lots of games, what's your favourite game? Maybe you can share it with us in September. See you soon!

We are all so excited that you will be joining us at school soon and just can't wait to meet you. In the Early Years Foundation Stage, we work hard but we also have lots and lots of fun and try to do all of our learning through exciting activities.

One of the extra special things that we have are the class bears. They are called Benny Bear and Billy Bear. You will get to take home one of the bears for the whole weekend and record all of your adventures. We love to hear all about your news when you come to school on a Monday!

We hope you have a lovely summer with your grown-ups and we can't wait to share our Early Years Foundation Stage adventure with you soon.

Best wishes, Miss Barry
