

# THE FRIENDS OF SACRED HEART

The Friends of Sacred Heart was formed to support and enrich the children's educational journey during their attendance of Sacred Heart Primary School. Originally organised by school staff, the Friends of Sacred Heart is now wholly run by parents of attending pupils.

Our purpose is to organise events for pupils and parents, to raise funds for the enhancement of the educational environment.

**Chairperson's Message** – with the end of the school year approaching, on behalf of the committee, I'd like to thank you all for your support of our fundraising events throughout the school year.

Your support of the highlighted events has contributed over £2500 towards enriching the educational environment for the children.

Whether you have some great ideas or are just able to volunteer your free time, please get in touch with us through our Facebook page.

We look forward to the next school year and wish you an enjoyable summer holiday.

kind regards,  
Richard Pacheco
