

This year we celebrate the 'Year of the Word'. During this time the church focuses on St Matthew's gospel. In his Gospel St. Matthew describes miracles and examples of Jesus's teaching. Look into the Gospel of Matthew and choose one miracle or a parable. Read it carefully, reflect on it and think about what it means to you. You can think of the ways to present the miracle or parable in any artistic way you choose using any medium you want. It could be a drawing, a sculpture, a collage a painting or it could be in a written form of your choice, eg: a poster, diary entry, story, poem and others.
