

## Sacred Heart Primary School

### *Jesus at the Heart of all we do*

Year 2 pupils at Sacred Heart Primary School in Luton spent a wonderfully spiritual day at Sacred Heart Parish Hall and Church.

The children took part in a day of singing and reflection with various activities all based around the theme 'You are Special.'

The day was led by Mr Alex Heath from the local RE centre, NORES, and was based on the book 'I am Special' by Max Lucado.

The day ended with a Liturgy to which parents were invited. This was an opportunity for the children to share what they had been thinking about during the course of the day. This was the first Retreat Day for our Year 2 pupils and it was a great success!
