R.E

Special People

Explore - There are special people in our lives who are there to help us

Reveal - On Sunday in church, we meet people who do special jobs as

we gather to celebrate the Good News of Jesus

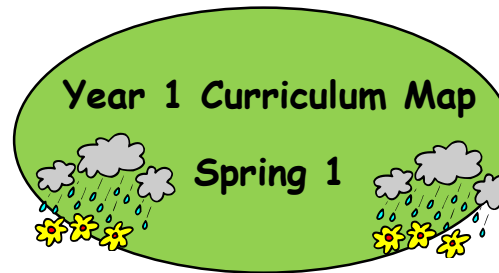

Respond - Remembering, celebrating and responding to the experience of special people in our lives, who are there to help and that on Sunday in church, we meet people who do special jobs as we gather to celebrate the Good News of Jesus

Meals

Explore - Families and groups share special meals.

Reveal - Mass as Jesus' special meal.

Respond - Remembering, celebrating and responding to families and groups share special meals and Mass as Jesus' special meal

Science

Animals including humans -

The children will Identify, name, draw and label the basic parts of the human body and say which part of the body is associated with each sense. They will perform simple tests. They will describe and compare the structure of a variety of common animals (fish, amphibians, reptiles, birds and mammals) including pets and then sort animals according to a criteria.

Foundation Curriculum - Geography

Houses and Homes/UK Maps

The children will learn about geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom focusing on the different types of homes and houses. They will also be looking at the four countries that make up the UK as well as looking at the continents and oceans of the world.
