

Hello Year One and welcome to week 12!

I hope that the Maths videos helped you to complete your work this week and improved your child's understanding. I will continue with them next week also.

This week we will be using BBC Bitesize – web links are on the following pages – for a range of activities.

I will refresh the monster points each week and I will give a shout out to the top scorers every week to help keep your child motivated.

Please make sure that you send work in so that I can keep track of their progress and I really enjoy seeing their work.

Please encourage your child to read every day – I'm sure that you have run out of books at home but there are lots of books to choose from on the Oxford Owls website – register for free at <https://www.oxfordowl.co.uk/>

This ebook is available on twinkl – just follow this link - <https://www.twinkl.co.uk/resource/t-I53321-back-to-earth-with-a-bump-ebook-english> If you have not signed up yet you can do so for free - the offer code is UKTWINKLHELPS and you can log in using www.twinkl.co.uk/offer .

Mrs Shanley
