

The Resurrection of Jesus

Easter reminds us of what Jesus did and how He rose from the dead. It reminds us that God fulfilled His promises and sent a saviour. Jesus died to take on our sins so that we could be with Him in heaven; His resurrection completed what God had intended from the beginning.

Why did the women go to Jesus' tomb?
What surprised them?
What do Christians celebrate at Easter?

Activity:

Make your own Easter Garden with an empty tomb and flowers and upload your pictures to the class dojo.
