Share your work on Class Dojo!

To send a picture of your work, it will go into your ‘Portfolio’ on Class Dojo so that I can keep all of your work together. To do this, you must go to your device, click on our class, and then ‘Create New’. Click on the camera icon and then when you have taken a picture of your work, press the grey tick in the top right hand corner. You can then add a comment if you would like and then click ‘Hand In’.

Please check your emails for your invite to Class Dojo if you are not already connected and let us know if you have any issues with this. Please keep looking at and using Education City to consolidate and extend your child's knowledge by completing activities provided on there. Teachers will also be setting work on this and are able to track if work is being completed. If you are having any issues logging on to this or Class Dojo, please let us know!
