

Hi Year 2 Parents,

Welcome to the final half term in Year 2!

We realise that many more parents will be going back to work in the next few weeks so please don't worry if your child can't complete all of the work and send it in - just do what you can and keep a work and life balance. We are happy to receive and comment on any work but we completely understand if this is not possible. If you are unable to print off any of the resources please do not worry, just do what you can, or record your work on paper.

For 3 times table practice this week the children will be using a program called 'timestables.co.uk' you can register for free. Choose one activity a day for x3.

Our theme for English this week is Science based and this will last for this week and next week.

For Maths we will start a new topic - picture graphs

We will also continue using our *Get Spelling* books this week and will send you scans of the necessary pages, the children should already be familiar with the activities. This week will be Unit 12 - adding the suffix -less.

Twinkl are also extending their parental access. The offer code is UKTWINKLHELPS and you can log in using www.twinkl.co.uk/offer .
