Please do not worry if cannot print out or access any of the resources. This is a recommend plan – time and patience permitting! Just do as much as you can and keep your child reading every day.

You can also ...

- Cook with your child as this involves lots of Maths
- Encourage them to help with meal preparation
- Spend time in the garden – plant something to grow
- Watch a favourite film
- Make a diary of their time at home and write and draw a little bit each day
- Do lots of cutting and sticking activities
- Role play with money – set up a shop in your kitchen
- Oliver Jeffers is reading a story everyday on Instagram and these are archived on his website (see link on Monday)
- Join Joe Wicks for a PE session every day at 9:00 on you tube – the bodycoach.com

Twinkl have free access for a month and have some great home learning packs.
