

Year 3 Planned Work Schedule

Week beginning Monday 8th February 2021

- Engagement with recorded and live registration is expected daily.
- At least 10 mins reading daily. Children can complete quizzes at home on accelerated reader and we will track their scores, giving monster points for those above 80%.
- Times tables to be practised using Ten Ticks; Beat the clock.
- Spelling lists will continue to be sent on Class Dojo bi-weekly. Please test the children on these.
- Additional resources are available on EducationCity to support learning between recorded lessons.

Dear Children/Parents and Carers,

We are very impressed by all the amazing work that children have sent in on ClassDojo! They are producing some truly fantastic pieces of work! Engagement with our morning Teams register and afternoon reading on Teams has been fab, keep it up!

Wishing you all a fantastic and restful half term,

Best Wishes,

Mr. Shaw and Mrs. Conroy

Weekly Project; Due 24th February 2021

Last week you experimented with Mentos and Coca-Cola, we watched the bottle of fizzy drink explode like a Volcano when the Mento was dropped into it! Hope you all enjoyed that. We had lots of fabulous work submitted on ClassDojo!

This week we are going to continue with our Science experiment theme, as we can see how much you are enjoying completing them.

Without giving too much away on what our experiment is, here are the items that you will need:

- Warm Water
- Cooking Oil (this can be sunflower or olive oil also)
- A tall glass
- Food Colouring

Instructions will be uploaded onto ClassDojo on Wednesday.

Thank you for your support.

Some other online resources you can use:

Twinkl - Variety of resources for children to work through (including recipes).

BBC Bitesize - <https://www.bbc.co.uk/bitesize/dailylessons> - Variety of videos and lessons. Also on the red button/iPlayer on BBC channels there are lessons children can watch.

Oak National Academy - <https://classroom.thenational.academy/subjects-by-key-stage/key-stage-2> - Online classroom for all year groups. This also includes foundation subject and has daily schedules you can follow.

White Rose Maths - <https://whiterosemaths.com/homelearning/> - Daily 20-30 min Maths lessons you can access. Watch video then worksheets related to the learning video.

The Maths Factor - <https://www.themathsfactor.com/>

Audible - Particular children's books have free access.

Harry Potter at home-
