

Dear Parents,

As you now know the children's learning this half term will take place remotely. We will be using the Teams Platform to do this. You will have received an invite to join via email. The children will be expected to engage with their lessons daily, as they would do so in school. Please find the Timetable below:

Lesson	Start	Finish
Maths (Mon-Fri)	9:20am	10:20am
English (Mon-Wed and Fri)	11am	12pm Noon
Comprehension (Thursday)	1:15pm	2:15pm
RE (Mon, Wed, Fri)	1:00pm	1:30pm

Please be aware that all live sessions are recorded and stored on Teams for future playback.

Meaning that if you cannot attend at the above times, then you have the ability to watch the lessons after they have ended.

This week's learning is as follows:

Thursday:

- Maths – The first part of the Revision 1 worksheet in their Maths No Problem workbooks.
- English – A short writing piece on what we did at Christmas.

Friday:

- Maths – The second part of the Revision 1 worksheet in their Maths No Problem workbooks.
- English – A grammar lesson focusing on vowels and consonants.

Thank you for your continued support,

The Year 3 Team
