

Hello children!

My name is Mr Shaw and I am one of the teachers in Year 3. I love listening to music and making people happy! I am looking forward to all the time that we will spend getting to know each other and all the wonderful things we will learn! I really enjoy when people tell me new and amazing facts about science! Maybe you could share some with us in September. I am very excited to meet you all, best wishes for Summer!

Mrs. Ryan

Hello Everyone! My name is Mrs Ryan and I am really excited to be working in Year 3, I know we will have lots of fun learning together! I love being creative and finding out new facts about the world we live in. What do you like doing in your spare time? Maybe you can share it with us in September. See you soon!

Mrs. Hannigan

Hello Everyone. My name is Mrs Hannigan and I can't wait to meet you all in September. I am really excited to be working with you in Year 3 and sharing with Mrs Ryan. I love music, both listening to and playing it - I wonder if any of you are musical? I am looking forward to the summer holidays as I am sure you are all too and I can't wait to share our stories when we return to school in September. Have a great summer.

Mrs Kehoe

We are all so excited that you will be joining us in year 3 and we can't wait to meet you. In Year 3, we work hard but we also have lots and lots of fun! We always try our best and we learn from our mistakes.

Year 3 is really special as this is the year when you will receive the Body and Blood of Christ for the first time in the sacrament of Holy Communion. We will be using the I Belong book which is a special text to help us on our learning journey. As this is a really special time for you, we would encourage you to go to Mass every week so that you and your family can fully share in this special day.

Miss Stones

We hope you have a lovely summer with your grown-ups and we can't wait to share our Year 3 adventure with you soon.

Best wishes from all the Year 3 team!
