Project work

Learning Log Homework - Due in Friday 29th January 2021

For the next three weeks we thought it would be nice for you to do your own project. This can be on anything you like! Maybe you want to do a project on your favourite football team, a country or a person. It can be presented however you would like, as long as you can send it into us in some form. For example; you could use PowerPoint, you could create a booklet, create a folder etc.

Please make sure this is all your own work, if you research from the internet take the information you need and put it into your own words. You can use pictures (drawn or printed), facts, newspaper clippings, sounds, moving images, build a model etc.

Take your time, enjoy it because it's about something you are really interested in.
