

Countries of the World

Learning Objective:

To be able to locate major capital cities of the world.

NEXT

What
is the difference
between a continent,
a country and a
city?

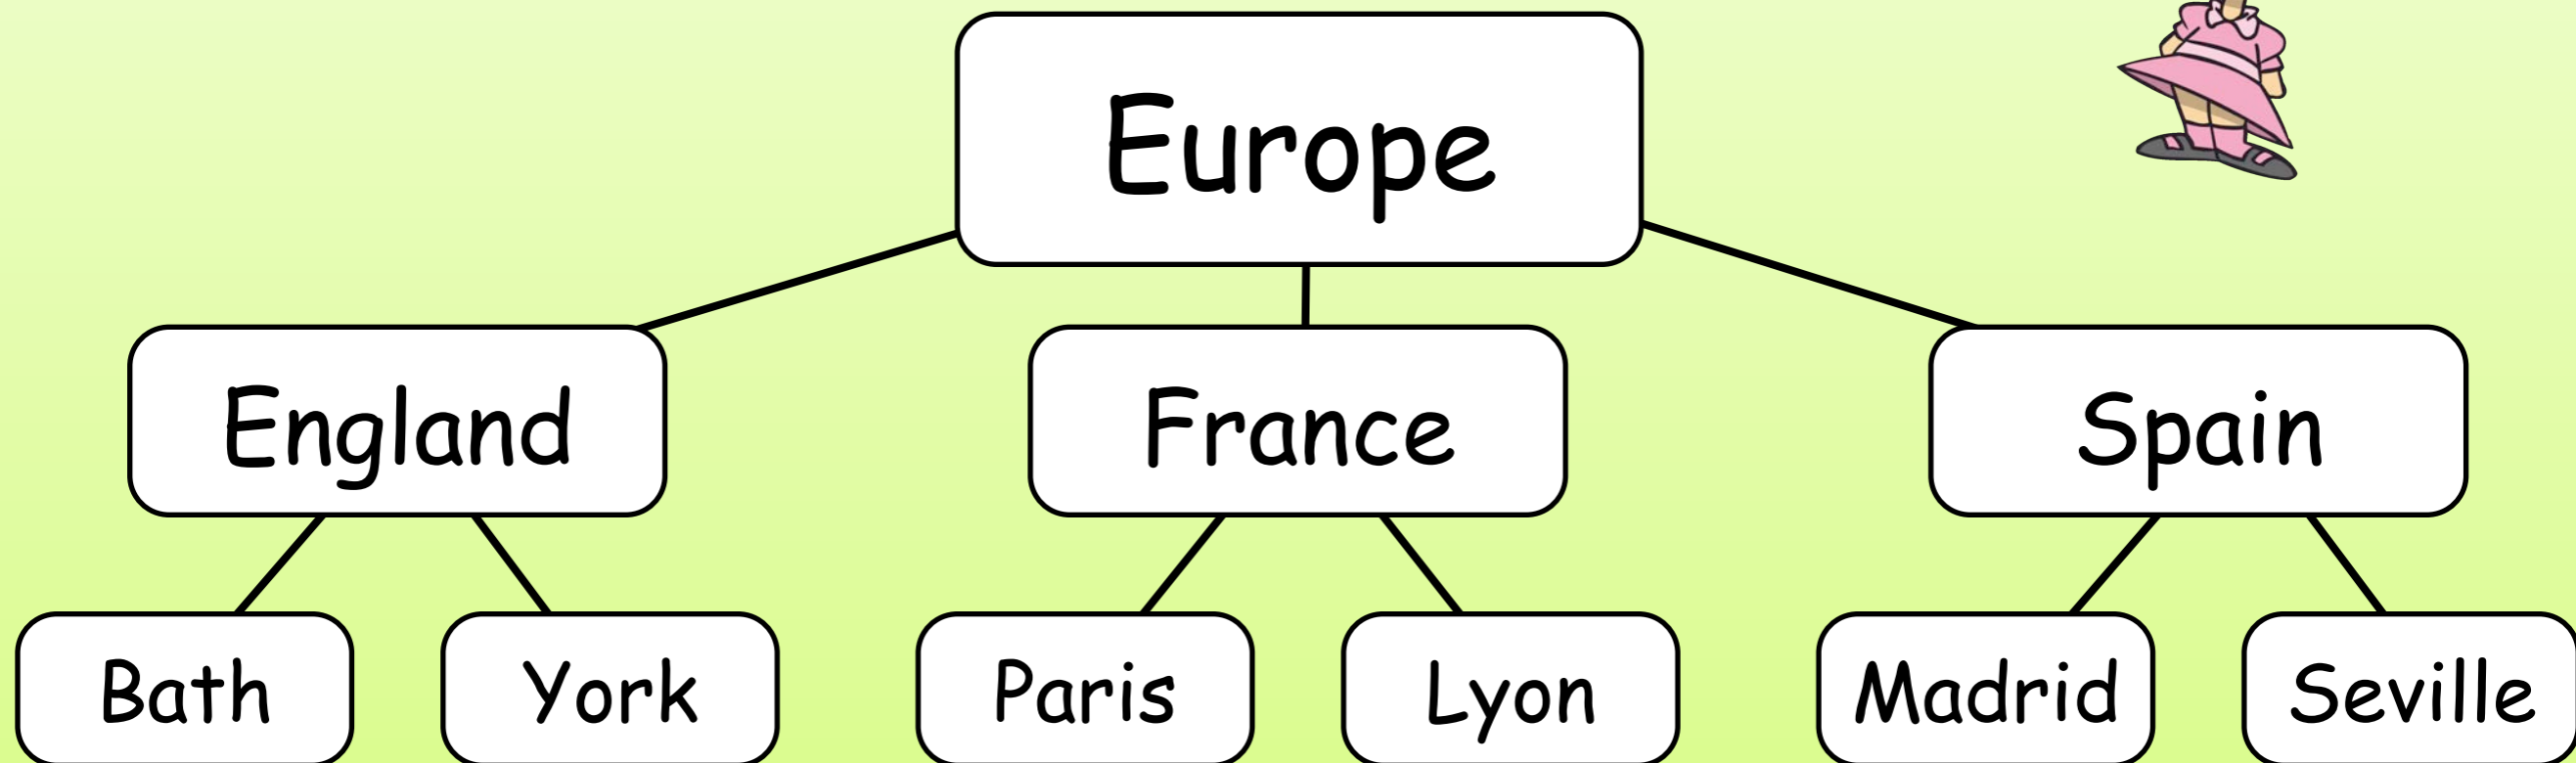

Think, pair, share your ideas.

BACK

NEXT

A continent is a large land mass, such as North America or Europe. A country is a region with its own government, such as Russia or Brazil. A city is a large town within a country, such as London or Manchester.

Can you use this diagram to show how these places are connected?

BACK

NEXT

Today we are going to be finding out where some of the major capital cities of the world are. A capital city is the most important city in a country and is usually where the government runs the country from.

Can you name any capital cities?

Do you know what countries they are in?
