We are all looking forward to seeing you in September. We hope that you have a wonderful holiday and come back refreshed and ready to start in year 5. Please don't be nervous about our year as we are all here to help you and enable you to make good progress.

You will learn lots of new things in Year 5 in all our subjects. What subject are you most looking forward to? We definitely work hard in year 5 but have lots of fun and laughs also. Please make sure to share your talents with us because no two children are the same and we can't wait to learn what makes you YOU!

If you have any questions, please write them down and share them with us when we come back in September. We know things may be quite different but we are more than ready to welcome you all back and can't wait to get started!
