Application Activity

I can identify formal and informal vocabulary.

I can script examples of formal and informal speech.

Choose one of the scenarios below:

- You think that your class should be allowed to bring in mobile phones to use at playtimes.
- You think that the meal choices at lunchtimes need improving.
- You think that your class should be allowed to get a pet.

Your task is to use formal language to plan a short speech which you will deliver to your teacher in order to try and persuade them of your point of view.

You should also write an informal version of the same speech for a friend. Highlight your formal and informal vocabulary choices.
