

Year 6 Planned Work Schedule week beginning

Monday 29th June

- At least 20 mins reading daily. Children can now complete quizzes at home and we will track their scores.
- Times tables to be practised using Ten Ticks.
- Spelling list: Attached on last page (Children to practise daily and can complete a written test on Friday.)
- Specific Tasks are detailed on page 3 to help plan your learning. Education City tasks have multiple activities and learning which can be spread throughout the week.

We will begin working on our transition work for year 7 over the next few weeks. These will be made up of our own transition work, CNS work as well as work from Luton transition guidelines.

Whichever secondary school your child is going to, the work we cover will support their transition.

It has been lovely to see the work and other things you have been up to during the time we haven't been able to be together. If you would like to share, please do on ClassDojo.

Dear Children/Parents and Carers,

Thank you again for all your hard work and efforts during this time. Remember to take care, stay safe and keep smiling. God bless.

Miss Stephens, Miss Abela and Mrs Murray

Project Work - Transition to High Schools

Over the next few weeks, we are going to be working on our transition to High Schools project. This will involve mindfulness tasks, research, writing, maths and art/craft ideas related to all secondary schools. We will be completing these transition tasks through our English and Maths lessons also.

You can choose how you present this project (eg: It could be in a folder with photographs, a PowerPoint presentation or just on sheets.) These can be uploaded to ClassDojo and shared with your teacher.

English, Geography & PSHE tasks this week (on the weekly timetable):

Monday: Write your own school report. Include information about your strengths, your talents and your personality. You can also set yourself some targets.

Tuesday: Write a review for a book or film you have enjoyed recently.

Wednesday: Turn a favourite song or story into a picture that summarises it.

Thursday: To consider how the Church is called to Stewardship of creation. Think about what we mean by caring for the Earth. Remind yourselves of Geneses 1: 1-25. Continue to consider the wonder of God's creation. Write a prayer thinking about the wonders of God's creation. Please decorate.

Friday: Using the internet, find an aerial map of Luton in the past and one for today. Compare the two maps and write what you notice.

Friday: 2020 Time capsule (see sheet below).

2020 Time Capsule

What is a time capsule?

A time capsule is like a frozen snapshot of time. This time capsule will be opened in five years, in 2025, when you have completed your secondary school life and GCSE examinations. You will be 16 years old and will be able to look back on your 11-year-old self – at the start of your secondary school journey! You will be able to look back on life in 2020 and see how your life and the world has changed since then.

Name: _____

Best friend: _____ Future Job: _____

Hobbies: _____

Favourite song: _____

In the News, today: _____

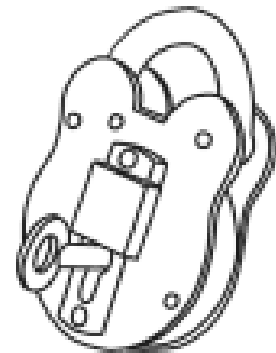

I spend most of my time: _____

Best thing about primary school: _____

What I am most nervous about going to secondary school: _____

What I am most excited about going to secondary school: _____

I predict that by 2025... _____

Some other online resources you can use

Skulduggery Pleasant Audiobook -

<https://www.skulduggerypleasant.co.uk/skulduggery-bites/> - The author is uploading an audio version of his book in parts each day.

Twinkl - Variety of resources for children to work through.

BBC Bitesize - <https://www.bbc.co.uk/bitesize/dailylessons> - Variety of videos and lessons. Also on the red button/iPlayer on BBC channels there are lessons children can watch.

Oak National Academy - <https://www.thenational.academy/> - Online classroom for all year groups. This also includes foundation subject and has daily schedules you can follow.

White Rose Maths - <https://whiterosemaths.com/homelearning/> - Daily 20-30 min Maths lessons you can access. Watch video then worksheets related to the learning video.

The Maths Factor - <https://www.themathsfactor.com/>

Authorfy 10 minute challenge -

<https://authorfy.com/10minutechallenges/> Challenges set everyday by authors.

Audible - Particular children's books have free access.

Harry Potter at home-

<https://www.wizardingworld.com/collections/harry-potter-at-home>

Stars of the Week (s) (From 18/6/20 - 25/6/20)

Reading Stars

<p>Aoibhe Stanley Laura Joseph Nilesh</p>	<p>Sean Konrad Maddie Sara Christian Ellie-May Amelia Oriel Geovanni</p>
--	---

Education City Stars (Over 80% on all classwork activity)

<p>Adam Aoibhe Callum Dylan Jaiden Joseph Kiersten Lilah Lucia</p>	<p>Lucie Natalia Nilesh Sophia Stanley Rheanna Keeva Dominik</p>
--	---

A big well done to all the children who have accessed Education City and have been working hard with the home learning they have been doing.

Year 5 and 6 Statutory Spellings

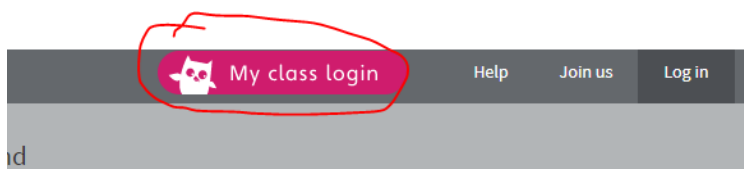

communicate
dictionary
equipped
especially
explanation

suggest
symbol
thorough
variety
vehicle

Do not worry that we may have looked at some of these words previously. We will be repeating some of the spelling banks words to get us ready for year 7

As a school we have access to Oxford Owl online. This is the spelling programme we use as a school. We have set up class logins where the children can access some activities.

To access: <https://www.oxfordowl.co.uk/>

This is the page you will get. You can access books as well as the Read Write Inc spelling extra practice zone.

Click in Extra Practice zone and children can work through a couple of these to help with their spellings.
