

Hello children!

Welcome to Year 6! We are looking forward welcoming you back in September and hope you are as excited as we are. We are Miss Abela and Miss Stephens and you will be having one of us as your teachers. You will also have lots of other adults who will be helping you.

Abela

Miss
Stephens

Hello, Miss Abela here. I can't wait to be working with all of you this coming academic year. Here's a few things about me that you might not know. I love movies, especially horror or sci-fi movies, I LOVE reading, I read every chance I get - it's the best past-time ever. I enjoy stitching and drawing stuff. I adore music and sing in two choirs and I go hiking whenever I can. My favourite subjects are science and art.

Hello, Miss Stephens here. I am really looking forward to welcoming you into Year 6. I have lots of different interests and hobbies which I do in my spare time. I love music and try to see live bands whenever I can. Reading is also important for me, I especially enjoy fantasy and thrillers. I love to spend time with my dog, and I love all sorts of animals. My favourite subjects are maths and history.

Mrs Murray, Mrs Brand, Mrs Dolly, Mrs Blessing, Mrs Kehoe and Mrs Ferguson will also be working with you in Year 6!
