

*This is your home learning task... it is not optional!*

Complete a scientific investigation

Visit a science museum: take pictures/ write a report?

Review a TV programme about science

Design a spaceship

Complete a research project

Write a story which is based on science

## It's all about Science!

Using the title above, complete a piece of homework in a style of your choice:

It could be:

- **Art work- drawing, painting, sculpture...**
- **Poetry**
- **A story**
- **A presentation**
- **Photograph collage**
- **Internet or library research**
- **A science experiment**
- **A project ...or anything else you can think of!**

Please hand in by  
Wednesday 6<sup>th</sup> June  
2018

- Parents may also like to Tweet a picture tagging @somerspark1 or your child's class Twitter page

The homework will be put on display around the school in time for the end of our Science Week
