Dear parent / carer,

All MET Schools sometimes take photographs of pupils. We use these photos to celebrate and demonstrate the learning that takes place in our schools. Examples include the school prospectus, school and academy website, display boards around school and on the school and MET Twitter feeds. Whenever we use photos, pupils will only be identified by their first name.

We would like your consent to take photos of your child, and use them in the ways described below. If you're not happy for us to do this, that's no problem – we will accommodate your preferences.

Please tick the relevant box(es) below and return this form to school.

- I am happy for the school to take photographs of my child.
- I am happy for photos of my child to be used on the school website.
- I am happy for photos of my child to be used in the school prospectus.
- I am happy for photos of my child to be used in internal displays.
- I am happy for photos of my child to be used within Twitter feeds.
- I am **NOT** happy for the school to take or use photos of my child.

Why are we asking for your consent again?

You may be aware that there are new data protection rules coming in from May. To ensure we are meeting the new requirements, we need to re-seek your consent to take and use photos of your child. We really value using photos of pupils, to be able to showcase what pupils do in school and show what life at our school is like to others, so we would appreciate you taking the time to give consent again.
