The Weekly News

Friday 7th September 2018

Dear Parents and Carers,

What a delight it has been to welcome your children back into school this week. They look great in their smart uniforms and have come back with many tales to tell after their summer break; the teachers have made the school look fantastic and we've really hit the ground running. A warm welcome to children who have joined our schools for the first time, particularly those who have begun their educational journey in Reception.

Malvern Vale Primary School

You will have noticed our new look newsletter, which will share the news for both Somers Park and Malvern Vale Schools.

Malvern Vale Primary School opened its doors for the first time on Tuesday and it has been a pleasure to welcome our 13 new pupils. Mrs Price and Mrs Birch have been working incredibly hard over the summer to prepare the classroom which looks amazing! We welcome Miss Liah Marshall Jones in the Malvern Vale Office and Mrs Harvey and Mrs Cox as Lunchtime Supervisors. You may also notice a couple of other people around MVPS as Mercian Educational Trust have moved their central office into the building. Mr Lawday, our CEO, as well as the team of Finance, Educational Psychology and Educational Welfare Officers and are all based in the school.

Somers Park Primary School

We extend a really warm welcome to the new staff who have joined us at Somers Park this term: Abbey Ward, Ali Cullerne and Zoe McCracken who join the team as class teachers; Sam Williams who joins us in Nursery and Les McGee as Finance Administrator in the school office. I'm sure you'll all welcome them into our school community.

Straight into our learning in Reception!

Free School Meals

If your circumstances have changed or you think you may be eligible for Free School Meals, please contact the school office who will be able to give you the necessary forms and information. This is just as relevant if your child is in Key Stage 1 or Reception because, although you may already receive school lunches for free, it unlocks a significant amount of funding for the school, which benefits your child directly.

Twitter

Many of our classes have already set up their class Twitter pages. Our teachers use Twitter to keep parents informed about the daily goings on with photographs of the action, pictures of children's work and reminders about events that are happening. If you would like to follow your child's class they can be found here:
