

Dear parents and carers,

This week the children have taken an active part in Safer Internet Day activities, to raise the profile of these important skills for a young person growing up in today's society. Below, you will find a few comments from the children about what they have been learning.

Year 2 times tables stars!

Year 3 Safer Internet Day

'In class we have been learning about consent. Consent means permission. Online consent means you agree to an app or you agree to an online service. And if you are asked for consent for posting a photo or a video that your friend has just taken, don't be afraid to say no. It's the power of no!' Mia 3SD

Year 2 drama for Safer Internet day

'In class we have been learning about consent. Consent is when you ask permission about something like a game and you can give permission, like if Roblox asks you for personal information you should go and ask a trusted adult. Online consent is like if someone wants to post a photo of you online, they need to ask permission. You can say no- don't be afraid!' Harry C 3SD

'In class this week we have been learning about online consent - consent means

permission. Getting consent is like when you ask somebody if you can send a photo. Always make sure you ask the person first before you post it. Giving consent is when a game asks for your personal information. We learnt how online consent is like offline consent when you're in the playground at school and you ask to get a drink!.' Agatha 3SD

Year 2 Safer Internet Day

Some advice from Hugo in Year 2:
'Always ask an adult before you do anything online. If you are unsure or do not understand as an adult. We all have a choice! You should never give away your personal information on the internet! Remember to stay safe online!'

Malvern Vale Photographs

The corridors of Malvern Vale are now adorned by the magnificent photographs taken by Theresa Fury. We are very grateful to Ms Fury for taking and donating these beautiful images, which we have now had made into shiny acrylic pictures. They look super and really bring the corridors of the school to life. More information about her photography can be found at www.theresafurey.com

'Pictures up' at Malvern Vale

Malvern Vale Official Opening

Next Tuesday, it is our 100th day of being open at Malvern Vale. During the afternoon we will be having our official opening for the school, to which parents, neighbours and local dignitaries have been invited. We'll share some pictures with you next week.

Children's Challenge Home Learning

In line with our schools' Homework Policy, our Children's Challenge has been launched for completion over the Half Term period. The title, 'An Inspiration', asks the children to consider a person's values (someone they know, or somebody famous) and how they represent that value. Children can decide how they would like to present their work.

This is the only homework your child will receive for the next week when they may decide to complete it, alternatively it is a task which may be completed over Half Term. Contrary to what it says on the task sheet (apologies for the typo!), the children's responses need to be handed in by Wednesday 27th February.

Finally, a reminder that we break up for Half Term next Friday, 15th February.

Have a lovely weekend.

Best wishes

Chris Hansen

Developing motor skills and pencil grip in pre-school

Investigating shapes in Year 2

Investigating inherited traits in Year 6!

Coming up

Date	Event
Tuesday 12 th February	Year 3 visit to Smite Farm
Friday 15th February	Break up for Half term
Monday 25th February	Return to school
Wednesday 27 th February	Hand in Children's Challenge (all children)
