Somers Park Avenue, Malvern, Worcs

Headteacher: Mr. Chris Hansen BEd (Hons) NPQH

Dear parents and carers,

Thank you very much for joining us at the parent information evenings this week. Attendance was excellent and we hope that you found the meetings informative and useful.

Over the next couple of weeks we also have our Maths information evenings, where Mr Cowell will talk you through the Maths curriculum and how we teach calculation progressively through the school. The KS1 Maths meeting is at 7pm on Thursday 21st September and the KS2 Maths meeting, the following week on Thursday 28th September.

In addition to this, our Early Years Letters and Sounds meeting is on Tuesday at 6pm.

Clubs

Thank you for returning club request forms promptly. Just a reminder that all clubs begin next week.

Children's Planners

As the children are getting used to using them, the planners are proving to be very successful. As well as the reading journals, for which you child will earn house point rewards for reading and recording regularly, the resource section is proving very useful both in and out of lessons.

The school garden

The children are rightly proud of the garden area which they tend to and look after. This week Mr Ballinger and the children have harvested a bumper crop of runner beans which have been given to our kitchen and which will be served to the children as part of our school lunches. Proper home-grown veg!

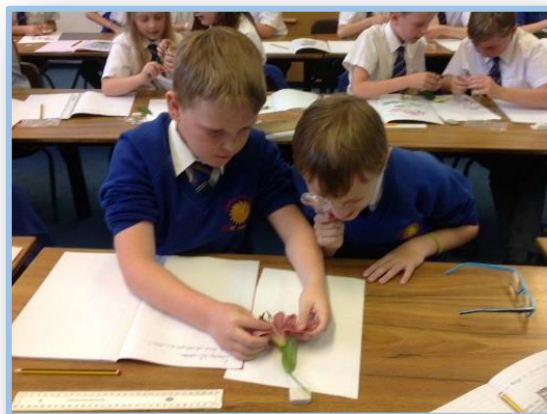

Starting school

If you live in Worcestershire and your child is due to start school in September 2018 (that means they were born between 1st September 2013 and 31st August 2014) you need to apply for a school place by 15th January 2018. Even if they have a brother or sister in the school already, the application process must be done to ensure your child gains a place at our school.

For more information and to apply, please visit:

www.worcestershire.gov.uk/schooladmissions

A reminder also, that Malvern Vale Primary School will open its doors in September 2018 with a Reception Class. It will be a part of our family of schools and will be under the same leadership. The school is going to have a stunning new building and is an exciting prospect, so if you live on The Vale, please consider this option.

Year 5 science- dissecting flowers

Have a great weekend.

Best wishes,

Chris Hansen

Community Links Fitness for children!

Mini Movers is a brand new fitness class suitable for children between the ages of 5-10.

A fitness class for young people to just have a good time dancing to music that they enjoy! There are no gradings or exams, and so it is just for children to have fun.

Mini Movers is timetabled at 'The Movement' Tuesday and Thursday at 4.15 costing £4.50 per session or £6 for Tuesday and Thursday.

Please contact on 07581325521 for any further information that you may require.

(Please remember, that although Somers Park School may share activities which might interest you, we cannot endorse any other organisation or its safeguarding procedures.)
