Dear parents and carers,

We've arrived at the end of this very short half term and once again it has been full of wonderful achievements and positive experiences for your children.

As well as numerous sporting successes, enriching educational visits and visitors who have inspired and motivated us, there have also been huge accomplishments in the classroom. Well done to all of the children.

A fond farewell

It is with sadness and best wishes that we say goodbye to Mr Cowell today. David has been a class teacher, intervention teacher and maths subject leader at Somers Park for 16 years and has been greatly valued in all roles he has undertaken. We wish him the very best in his retirement from school and look forward to hearing about his next adventures!

We break up for the Easter holidays this afternoon. Enjoy the long Bank Holiday weekend and we hope you get some time with your families over the next couple of weeks. Children return to school on Monday 16th April.

Best wishes,

Chris
