Dear parents and carers,

We've got lots to tell you this week.

The children have been very busy both in and out of school.

EYFS- Exploring the buses

## Tremendous transport!

What a pleasure to hear such positive comments about the Reception classes' visit to Wythall Transport Museum on Wednesday. The children and teachers have been buzzing since their return and it has been great to hear about some of their experiences...

*Jacob said when on the miniature locomotive, "The steam train is the fastest ever!"*

*Braxton said, "This is best day of my life!"*

*Megan said, "I don't want to go home yet!"*

*"Thank you, I love your buses," said Ella, to the tour guide as we left!*

It was also really lovely to hear how well our Reception children had represented the school. Yesterday we received these wonderful words via email:

*'Thank you very much for your visit yesterday we all enjoyed the day very much despite the weather. Could you please say a big thank you to the children that came for the way that they behaved which made our tour so easy to do. They were very attentive and responded well to*

*what we told them. They are a credit to the school and to themselves and we would love to have your school visit us again.*

*Thanking you again'*

*Alan (Wythall Transport Museum)*

Tickets please!

## Super Science!

Are you a Scientist? Does your job involve Science? We have a Science Week from 4/6/18 to 8/6/18. We would love you to be involved! Please contact Miss Courage (Class 1JC) who is co-ordinating the week's events. Thank you.

## Year 6 Circus Skills workshop

On Wednesday 2<sup>nd</sup> of May Year 6 went on a trip to Malvern Theatre's to do a workshop with the cast of The Little Mermaid, which is a circus show on at the theatre. For a warm up, we had to think of an animal that began with the first letter of our name and we went into the middle of circle and did an action that the animal does. We also had a go on the aerial [which is a hoop in the air]. We had to grab the hoop with our thumbs underneath and we lifted our legs up and through the hoop, we could also let go so we would be hanging by our legs. As well as the aerial we did some acrobatic stunts (which we would balance on each other!)

"I liked the aerial it was so fun!"

Matthew, Year 6

"I loved doing the acrobatic stunts!"

Megan, Year 6

## From the office...

Please ensure that you return the new photo permission consent form to the school office as soon as possible. **If we don't receive a form from you, you will be automatically opted out** of your child's photo being taken or used anywhere (including online and school displays). This is to ensure we are conforming to new GDPR guidelines.

## Swimming success

I'm pleased to share that on Wednesday, our Year 5/6 swimming team won the Worcestershire West Schools Swimming Gala at Malvern College pool against 11 other schools. Everyone in the team gave it everything and were brilliantly supportive of

each other. We won by one point, battling through goggles coming off, goggles filling with water and nerves. It was also really lovely to see ex-pupils helping run the event with positivity and praise. We're looking forward to the next round in Bromsgrove in July!

May I remind you that it is a Bank Holiday on Monday, so we'll see you all again on Tuesday- enjoy the long weekend.

Best wishes

Chris Hansen
