

Wheally Wheelly Fun Day

Wednesday 3rd April
Sponsored wheel-a-thon!!

Are you bored? Are you looking for something fun and healthy to do?
Well here is the answer! Welcome to the **Wheally Wheelly Fun wheel-a-thon!**

For the wheally wheelly fun day, you have 15 minutes to wheel around a course to raise money and awareness for Chumbageni Primary School in Tanzania. It will be sponsored (sponsor form on back of this letter) and the money raised will go towards supporting the children of Chumbageni with a heavy focus on providing a pot of uji each day. Without this uji, many children will go without any food so please support the event!

RULES

- ✓ You can only bring your own bikes or scooters (you must be able to ride them safely!)
- ✓ NO skateboards, heeled trainers, rollerblades, etc..... (just bikes or scooters)
- ✓ Bring a helmet and/or elbow and kneepads if you have them.
- ✓ **Bring your bike/scooter on the appropriate day and place it in the KS1 fenced area (KS1 children) or by the adventure playground (KS2 children).**
- ✓ Please can you clearly and visibly label your bike (with your full name and class) before you bring it to school

Please Note: Reception and Nursery will use the school's bike/trikes and will be riding around their playgrounds.

This is a school council idea and we will be supporting the entire event, **SO PLEASE SUPPORT US.** We think this is a really important cause. See you there, happy cycling!

The School Council
