Year 3: Music Tuition September 2018

Dear parents/carers,

As in previous years, we are able to offer a limited number of KS2 children the opportunity to learn musical instruments outside of the curriculum. However, at this stage we cannot guarantee that lessons will be available to every child who wants them, because usually tuition places tend to be over-subscribed.

Steel pans

Most lessons are held in lesson time during the afternoons, lasting 20-25 minutes, and are held in small groups. The cost of steel pans tuition is **£35 per term**.

If you are interested in your child learning to play steel pans in 2017-18, please complete the form below and return it to school **before Monday 2nd July 2018**. Preference will be given to applicants who have been learning this year, and any remaining places will be allocated to new applicants who have returned their forms quickly.

Ensemble (orchestral instruments)

I will also be allocating orchestral instruments (e.g. flute, violin, cello) to a limited number of children. Not only will I consider the child's music ability but also their personal organisation and resilience.

Please indicate on the slip below if you would like your child to be considered for an orchestral instrument. Ensemble instruments will be taught in small groups and your child will also be expected to attend the full ensemble rehearsal once a week. The cost of ensemble tuition is **£50 per term**.

We will let you know as soon as possible whether your application has been successful. Please note that **no payment is required at present**. Financial support may be available to help meet the cost of lessons in cases of hardship, and if you wish to be considered for this, please return the form but also speak to the head teacher. These lessons can also be covered by pupil premium bursary. For more information on the bursary, please contact the school office.
