## Year 4 & 5: Steel Pans Tuition September 2018

Dear parents/carers,

As in previous years, we are able to offer a limited number of children the opportunity to learn musical instruments outside of the curriculum. We have some opportunities for children in Key Stage 2 to play steel pans and percussion instruments from September, and we will accommodate as many as we can. However, at this stage we cannot guarantee that lessons will be available to every child who wants them, because usually tuition places tend to be over-subscribed.

Most lessons are held in lesson time during the afternoons, lasting 20-25 minutes, although Year 6 children may be in an after-school group.

If you are interested in your child learning to play steel pans in 2017-18, please complete the form below and return it to school **before Monday 2<sup>nd</sup> July 2018**. Preference will be given to applicants who have been learning this year, and any remaining places will be allocated to new applicants who have returned their forms quickly. **You should return the form even if your child has already been learning the instrument in the current year. We will not automatically carry forward places.**

The cost of steel pans tuition is **£35 per term**. Financial support may be available to help meet the cost of lessons in cases of hardship, and if you wish to be considered for this, please return the form but also speak to the head teacher. These lessons can be covered by pupil premium bursary. For more information on the bursary, please contact the school office.

We will let you know as soon as possible whether your application has been successful. Please note that **no payment is required at present**.

Anita Marsh  
Music Co-ordinator
