## Year 5: Level 2 Bikeability Cycle Training June 2018

Dear parents/carers,

In June, we will be offering Level 2 Bikeability cycle training to those **children in Year 5 who attained Level 1 accreditation last year**. Bikeability is designed to give children the skills and experience to cycle safely and confidently.

If your child did not participate in the Level 1 training last year, or did not receive accreditation, there may be an opportunity for them to still participate in the Level 2 training if they are able to meet the Level 1 standard of basic skill on the first day.

Level 2 develops last year's basics to enable children to carry out essential manoeuvres when cycling on quiet roads. Training will take place over a 3-4 day period, and will be provided by accredited trainers through the Worcestershire County Council Bikeability service. It is important to note that as part of the Level 2 Bikeability programme, children will be brought out on the road under the supervision of the instructors. As part of this, they will be trained in improving their ability to cycle on the roads safely and will be assessed accordingly. This does mean that if the instructors feel that your child is unsafe to go out on the road then they will not continue with the course.

If you would like your child to participate, they will need to bring a bike (which is roadworthy and the correct size) and a properly-fitting bicycle helmet. **Children will not be able to participate in training without these requirements.**

The cost of the Level 2 Bikeability course is **£10.00**. This cost can be covered by the pupil premium bursary if you are entitled to it. Training dates will be confirmed closer to the time.

If you would like your child to take part, please complete the form below and return it to the school office, along with your payment, by **Friday 18th May**.

Yours sincerely,

Miss Verny and Mrs Black
