Year 6 extra swimming sessions Final half term, summer 2018

Dear parents/carers,

For the final half term, we would like to take **Year 6 children who are still learning to swim or who are less confident** in the water for extra lessons at The Splash. We hope that all children will leave primary school being able to swim 25m unaided, which is why we would like to concentrate specifically on these children.

Initially we will take children who were in Group 1 (the first swimming lane) when they were in Year 5 and will then split them into two groups for an hour-long session.

The children who are not selected to go for extra swimming lessons on Friday afternoons will instead be taking part in sports on the field.

If your child is selected for swimming during the final half term, you will receive a letter during the first week back after half term.

If you have any questions, please contact your child's class teacher.

Yours sincerely,

Mrs Everett, Mrs Marshall and Mrs Gosling
Year 6 teachers
