Dear Year 12 Parents/Guardians and Students

**The Extended Project Information Evening – Chapel  
Monday, 15th October 2018 – 7.30 pm to 8.15 pm**

We would like to invite you to an evening presentation about the Extended Project Qualification, designed to extend the academic opportunities for Sixth Form students at St George's. The presentation will be held in the School Chapel on Monday, 15th October from 7.30 pm to 8.15 pm.

In the age of linear A Levels, where students study three subject areas for two years, we are keen to ensure that all our students have the opportunity to broaden their studies into a topic area of their choosing, should they so wish. We offer the dissertation route in order for students to develop their range of academic skills, ready for further study.

Both student and accompanying parent/guardian are invited to this short, informal (non-uniform) evening to discover more about the Extended Project. We look forward to seeing you.

Yours sincerely

S Priestland (Mrs)  
Director of Sixth Form Education
