

EduLink One Parent App

- Download the app onto your device via Google Play, or the Apple App Store.
- Once downloaded, launch the app and allow notifications.
- Enter the school ID: **stgeorges** and your username and password. These are identical to your Moodle login credentials.

For any issue you may experience with your login credentials, please contact ictsupport@stgeorges.herts.sch.uk . Please exercise care when entering passwords – they are case sensitive.

More features to the app will be added and made available in due course.
