

Bursary FAQs

Am I eligible for a grant?

Because there are only limited funds, schools have to make sure that grants reach those most in need of support.

To be eligible for **Level 1** funding you have to show evidence of

- Being a young person in care
- Being a care leaver (young people who cease to be looked after or accommodated)
- Being in receipt of Income Support
- Being a disabled young person in receipt of Employment Support Allowance and Disability Living Allowance.

To be eligible for **Level 2** funding you have to show evidence of being in receipt of Free School Meals. This shows that you are in receipt of certain benefits and must be renewed every six months.

To be eligible for **Level 3-5** funding you have to show evidence of financial hardship. Each application will be considered on individual circumstances.

What "evidence" do I need to show?

The application form gives examples of evidence that might support your application for a grant. If you do not have any of these but would still like to be considered, you should write a letter to the Head teacher and attach it to your application giving clear details about your household's income.

When should I apply?

Applications are considered at any time throughout the year. However, it is in your interest to apply as soon as possible, as funding is limited. You should submit your application to Michelle Pride, Sixth Form Administrator. If you have been awarded a Bursary, it will last for the academic year, unless your circumstances change, so you won't need to apply again. New applications can be submitted at any time for consideration.

In the event of an emergency, you should talk to the Head of Sixth Form as grants may be awarded in extreme cases.

Will I automatically get what I apply for?

If you qualify for Level 1 funding, you will be entitled to this grant. Level 2, 3, 4 and 5 funding is discretionary and will be allocated depending on need and funds available. The more information you put into your application about what you will find difficult to fund and why, the more easily the school will be able to assess your needs.

How will I know what I might find difficult to fund?

If you travel by bus to school, think about how much this is going to cost for the year. Might you need to travel to other course related events, or do you plan to travel to University open days? Talk to the teachers of the courses you are on. Are there any costs associated with the course, such as textbooks or other equipment? Will there be any costs associated with the exams or modules? Are there any trips that are part of the course? You may need access to a computer at home to support your studying. Also think about meals while you are at school.

Will the grant be paid in cash?

Levels 1 funding will be paid monthly by BACS transfer directly into your (the students) bank account. Level 2, 3, 4 and 5 grants will be paid at the discretion of the school and may be paid in kind such as meals, course materials or travel passes, or into a student's bank account upon production of receipts of goods purchased.

Can I keep books, laptops and other equipment when my course has finished?

It depends on what the item is. Government guidelines state that books and other equipment must be returned to the school to enable them to be re-used by other eligible students. Laptops and books will need to be returned at the end of your course. You will not be required to return consumables, such as pens, paper etc.

Can the grant be paid into someone else's (such as another family member) bank account?

No, BACS payments will only be made into the named account of the applicant.

What should I do if I don't agree with the Panel's decision?

Students are entitled to appeal against the decision made in relation to their application for a Bursary or the withholding of payments. Students should write a letter of appeal to Michelle Pride, Sixth Form Administrator. This will be forwarded for consideration by the Appeal Panel of the school. The Appeal Panel consists of Peter John: Head of 6th Form, Sandra Thomson: Business Manager, and a school governor. The outcome of this reconsideration will be notified in writing and is final.

Where can I get further information?

Talk to Michelle Pride, Sixth Form Administrator
