

Grammar School Entrance Test 2021 Entry – Results

Results will be emailed home to parents on Tuesday 1 December. You will receive an email from the school where your child sat the test, and from each school you requested results to be shared with.

Emails will be sent from 2.00 p.m. With so many emails being sent, there may be a delay, therefore we request that parents allow until the end of the day to receive the email. Please check junk/spam folders.

We would request that parents do not telephone the school for more information regarding results/rankings – please email admissions@stroudhigh.gloucs.sch.uk. The admissions department will respond to your email, please be patient, we will be dealing with nearly 1000 emails.

Should you have any questions regarding your child's CAF/Preference Form, please contact the Local Authority Admissions Team school.admissions@gloucestershire.gov.uk
