Gloucestershire Grammar School Entrance Test: Saturday 6th February 2021
Parents/Carers and Candidate Protocol for all Test Centres

To help ensure the efficient running of the Entrance Test, and to enable the correct implementation of government guidance on minimising the transmission of infection during the Entrance Test, the seven Gloucestershire Grammar Schools have agreed the following protocol which **ALL** families will be expected to abide by.

Each School (Test Centre) will also issue their own site-specific **School Protocol** to their own candidates according to their local context.

1. No child, who is unwell (for example, coughing, exhibiting any symptoms of Covid-19 <https://www.nhs.uk/conditions/coronavirus-covid-19/symptoms/> or whose household is self-isolating or have been advised to through track and trace), should attend their Allocated Test Centre – please inform the Allocated Test Centre on the day before the Entrance Test (or earlier) if this is applicable to your child. A medical test will take place on **Monday, 22nd February** for those children who, for **medical reasons**, could not sit the Entrance test on Saturday 6th February.
2. Parents/carers of a child coughing, or who becomes unwell during the Entrance Test will be contacted and requested to collect their child immediately.
3. Only **one** family member will be allowed to drop off and collect their child and no additional siblings should accompany the candidate to the Test Centre. This will help avoid large gatherings outside of each Test Centre/school. The family member must strictly abide by the relevant Test Centre's Entrance Test protocol.
4. **No family member** will be allowed into any of the buildings of their Allocated Test Centre at any time.
5. Hand sanitising units will be available for use in each test room and at entry points in each school.
6. Each candidate **must** bring with them: a completed ID form (with a photo/image of your child), 2 HB pencils, an eraser, a pencil sharpener, snack, and tissues in a labelled, clear plastic bag.
7. Due to social distancing measures in place, each testing centre's own protocols may mean that larger venues, such as School Halls, will be used.
8. Wherever possible, children from the same primary school will sit in the same test room as others from their school.
9. On arrival at their Allocated Test Centre, children will be placed into their test room group forming a test bubble and will be strictly supervised from that point onwards. They must not communicate with or attempt to be with any other child who is not in their allocated group.
10. It is not possible to accommodate requests for a particular test sitting – timings will be issued via each school's test day details letter and **CANNOT** be changed.

Under no circumstances should any child, or family member discuss, or publish the content of the Entrance Test at any time to ensure the security of the Test. This includes speaking to other children, parents / carers, other family members, their teachers or tutors. It should be stressed that anything shared may help other candidates and could result in their child not being offered a place.
