Terms 1 and 2: Hockey training is £1 a session and only on the dates exactly specified NOT every week

Collection from fixtures and practices

Can only happen from the away host school with WRITTEN permission and at stipulated times, if a parent has not arrived within 5 minutes of this time we will leave the host school and pick up will be from SHS. We cannot drop off students en route.

Please can parents endeavour to arrive at the specified pick up time **promptly**, staff have a duty of care to wait with your child until you arrive, lateness can cause staff to consequently be late to collect their own children. If your child can not be collected at the specified time they will be unable to be selected for that fixture.

If due to unforeseen circumstances we are delayed, and will be arriving late back to SHS, we will direct your child to phone as we leave the host school.

If your child walks home or to the train station as they would usually afterschool this is acceptable and at your discretion.
