# New You – New Sixth Form

Stroud High School

## How to choose your A levels

Andy MacDonald

Assistant Head – Marling School

Jane Thornton

Assistant Head – Stroud High School

Mike Nicholson

Admissions – University of Bath

## Changes to A levels

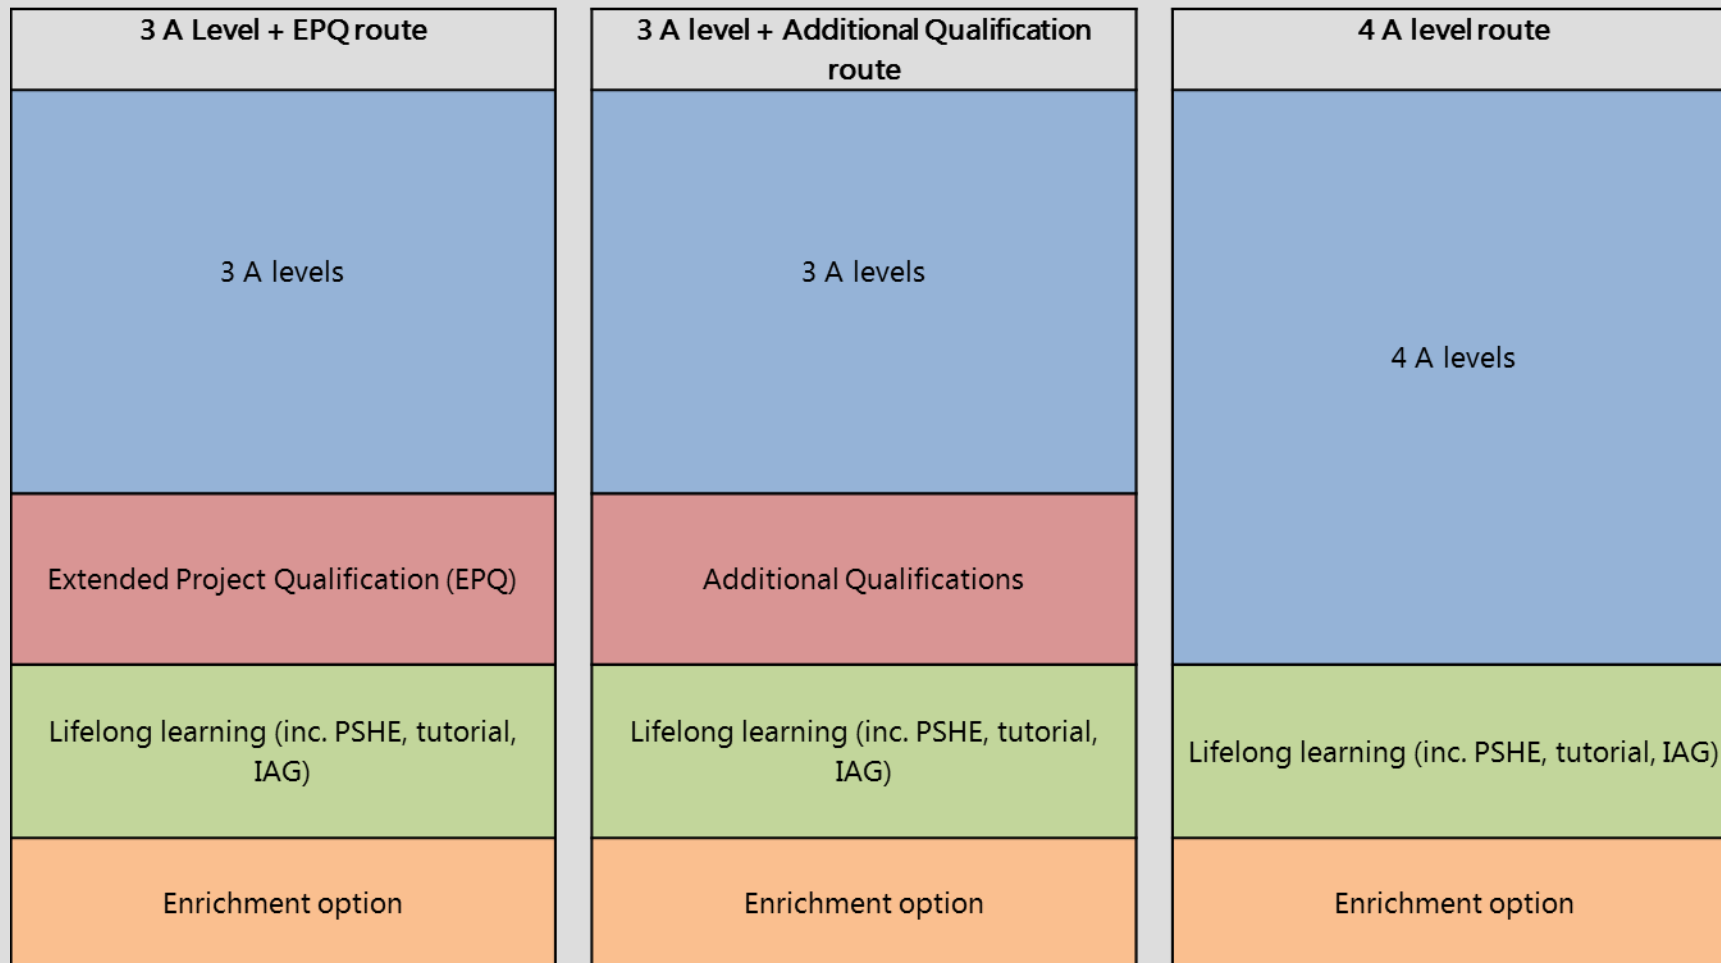

- A 2 year course with examinations at the end of the 2 year course
- New AS examination will not count towards A level course

- Subject content remains similar but with some extra areas of study
- More emphasis on examination and less on coursework
- Existing grading will not change:  
A level (A\*-U) and EPQ (A\*-U)

## Core curriculum offer

## Which A Levels shall I study?

- Future plans
- Enjoyment
- Success

## Future plans

- University (UCAS)
- Conservatoires of Music, Drama and Dance Colleges  
(CUKAS)
- Art Colleges
- Apprenticeship
- School Leaver programmes
- Studying abroad

## Management University of Bath

### Management

Develop advanced knowledge and skills in a range of business functions. Gain the practical experience you need for a variety of management careers.

Year 1 covers the core subjects relevant for business such as marketing, accounting, finance and operations. These principles will provide context for the rest of your course. During this first year, you'll study with International Management and Management with Marketing students.

In Year 2 you'll build on this foundation, developing your knowledge of these subjects. You will be able to customise your studies with optional units. These let you explore other areas of interest such as digital marketing and management consulting.

In your final year you will study strategy and take part in the entrepreneurship project. You'll apply what you've learned to developing a business plan and putting it into action.

Qualification	Study mode	Location
<b>Bachelor of Science (with Honours) - BSc (Hons)</b>	<b>Full-time</b>	<b>Main Site</b>

Start date	Duration
<b>October 2018</b>	<b>3 years</b>

## Entry requirements

### Qualification requirements

UCAS Tariff Not accepted

**A level** AAA - A\*AB

Compulsory A level subjects  
AAA or A\*AB in 3 A level subjects.

Desirable A level subjects  
Preference for A level subjects that include a combination of mathematics/sciences with arts/humanities.
