Dear Parents and Carers

Pokémon Go

I am sure you will, by now, have all heard about the latest digital craze – Pokémon Go, which involves using a mobile digital device to track down Pokémon.

We have had a communication from PC Mark Godsland, who is the Safer Cyber Harm Reduction Advisor for the Specialist Crime unit at Gloucestershire Constabulary, regarding safety advice for this App, which I would urge you to read if your children are using the game.

[Click here](#) to access the Parents' Guide to Tips and advice for keeping children safe on Pokémon Go.

We hope you find this useful.

Yours sincerely

Cindi Pride
