NOTES

Grade protection no longer applies to any post-results services that include a review of marking. This means that students' marks and subject grades may be lowered, confirmed or raised as a result. Where there has been a reduction in marks or a downgrade, the request **cannot** be revoked and the original mark or grade **cannot** be reinstated.

Centres wishing to apply for clerical re-checks, reviews of marking and/or access to scripts must obtain written candidate consent **before** applying and all costs will be covered by the centre. Candidate consent forms will be issued by the exams officer.

If a candidate wishes to apply for any post-results service, this must be done via the centre. Written consent must be given using the attached form, together with payment for the relevant service **before** the deadline. Fees show above are **per** exam paper.
