

3rd May 2017

Dear Parent/Carer

Re: E-Safety Parents Information Evening 2017

We have organised our annual E-safety update for parents this year in conjunction with Leicestershire Police and it will take place at Welland Park Academy on Wednesday 17<sup>th</sup> May 2017 from 6pm to 7pm. This is intended for parents who wish to find out more about our E-safety work at Welland Park and an updated overview of E-safety initiatives from Leicestershire Police. They will be delivering a presentation explaining many of the issues facing young people today and offering advice for parents on how to help their children stay safe online. They recommend that students do not attend this event so that they can share issues openly with parents.

We will also explain how we approach E-safety at Welland Park Academy and explain our involvement with the Childnet Digital Leaders programme. Our digital leaders have met with representatives from Leicestershire police to help update the resources for this evening and we will also share some of the findings of the Leicestershire County Council student E-safety survey completed in February 2017. To help us decide on the best venue in the school, please could you email me at the address below if you wish to attend this event.

Yours sincerely,

C. Williams  
Assistant Principal
