Cambridge Nationals are vocational qualifications equivalent to a GCSE subject

Dance and Statistics will be offered as an after school 4th option subject. Please tick if you would like to take them.

Dance

Statistics

Please return this form to your Form Tutor by Friday January 12th 2018

Dear Parent

Please could you fill in both sides of this option form with your child and return it to their Form Tutor by Friday January 12th 2018. We have built the three option blocks based on the majority of choices received at the previous stage so that most students will be able to choose their three top options. If this is not possible, please choose a first and second choice from each option block and explain in the comment section below if there was a different combination you would have preferred. We will try our best to satisfy as many students as possible but it is only possible to create additional groups where there is sufficient demand.

These choices are your preferred choices for the start of Year 10. We will use these to prepare our staffing and timetable arrangements for our students starting in September. You will be informed of your final allocation of subjects in the summer term.

Mr C Williams

Assistant Principal

Note: English Baccalaureate subjects are marked *. We recommend you choose at least one of these subjects in your top 3 option choices. You MUST choose at least one of these subjects in your 3 second choices.

Please complete the following section to indicate your choice of school for Key Stage 4:

I will be staying at Welland Park Academy for Key Stage 4

I will not be staying at Welland Park Academy for Key Stage 4. I have applied for a place at another school via the County application process.
