## Y8 Comments

Q11. Regarding point 11 - additional information and explanation of foundation subject attainment levels would be appreciated - i.e what is national average for the subjects to help benchmark our son's achievement against them.

Q10. Have not had to raise any concerns so can't comment.z

Don't agree to homework when kids on holiday as that is their time to have a break!

Lily works exceptionally hard on her homework, taking a real pride in her work, this shows that her strategy works! We are over the moon with her report. (Lily Tippetts).

Disappointed no parents evening until well into next year. Would like further expansion on the Eblish Teacher's comments that Gwen at risk of not reaching targets. What should we at home be doing about this? (Gewn George 8GCO)
