Parent's Help Required

Over the Summer Holiday we are renovating a room to become our new Library. We are hoping that we might have a Plasterer amongst our parents who might be able to help us out. Please let us know if you can help.

School Milk

Having completed week 1 of our new milk scheme, all seems to be going well and the children are enjoying it. Just a reminder that children who bring a packed lunch are also entitled to a school milk. We will of course keep you updated.

High Elms Petition

You will notice over the forthcoming weeks that there is a petition calling for High Elms Road to become a one way street. This will really help to ease the congestion in the mornings and afternoons and generally make the routes around the school safer for children and parents. Please sign our petition, which is available at the school office, in the playground and from the local businesses around the school.

One World Week

Last week the children celebrated the international diversity within our school by participating in One World Week. Each class, from Nursery to Year 6, learnt about one continent. On Friday all their fantastic work throughout the week was celebrated in a whole school sharing assembly. There was artwork, fact files, 3D models, songs, dances and drumming.

After school families were invited in to the school hall to look at the children's work. We had two dance performances - some Year 4 children did Bhangra dancing and some Year 3 children did the Macarena. We had donations of delicious food from twelve different countries! There were dishes from Bulgaria, England, India, Italy, Jamaica, Lithuania, Pakistan, Peru, Portugal, Romania, Scotland and Spain.

A huge thank you needs to go out to the parents who attended and supported this event, but in particular to the parents who donated food and helped set up and clear away the hall. These wonderful events cannot take place without you!

Website/Photography

A big thank you to Sour Grapes Design for our new website! We are slowly updating it and planning to utilise it more in the future. This includes uploading photographs of pupils and their activities. Should you wish to purchase any images from the website gallery, you can get an order form from the office.
